We are into electrical trade business for over 20 years as one of the leading dealer/ distributor for electrical products associated with the best brands in electrical segments.

We have introduced registered own brand, namely "9Greens", where 9 symbolizes Lord Ganesha, while "Greens" represents our responsibility towards the environment.

We are introducing our design, which reflects our company's commitment to staying modern and innovative the design not only enhances the customer experience but also represents our brands growth and evolution in the industry.
